

## Activity sheet

### A Start campaign

- What were your most important learning points of the session?
- What are your most important new perspectives?

---

---

---

---

---

---

---

---

---

---

### B Observation weeks

- Write down what hazards you see and what the risks are.
- Ask yourself, and discuss with colleagues: Is this normal? Could it be done differently?  
*If necessary, take pictures of the situation (ask permission from the location manager!)*

---

---

---

---

---

---

---

---

---

---

## **C Discuss your observations**

- Select which points are important to you.
- Give an explanation during the session

---

---

---

---

---

## **D Action weeks**

- Which action(s) are you going to work on?  
*If necessary, take pictures of the result.*

---

---

---

---

---

---

## **E Review and Suggestions**

- What have you learned?
  - What can you still improve?
- Regarding the Campaign itself:**
- What went well during the campaign?
  - What can be done better?

---

---

---
